MINUTES

The minutes of the meeting held on February 5th 2024 were found to be correct.

MATTERS ARISING FROM THE MINUTES

Cllr. Martin Hughes stated that this minute regarding HAL statement in the January minutes needed clarification. Presumably it's a reference to the allegation of a breach in the Code of Conduct in the sentence in the January minutes that reads 'There had been discussion about the payment of a financial contribution to HAL after the end of March this year and a statement had been created and Councillors had agreed that the Clerk of each Council send this out to all Councillors and ask them to vote by Thursday evening the 21st with their decision, the email sent to all Councillors was confidential and stated that members of the other Councils expressed disappointment that this information had been disclosed to a HAL Board member and because of this they believed that this Councillor had breached the Council's Code of Conduct.'

Cllr. Martin Hughes stated that the audit report needs to say that it is in the public interest about the fraud of £9,000

I asked that the January minutes be amended to make it clear that the Audit Wales report was exceptionally a 'public interest' report rather than a routine report, \as stated in the report title 'Report in the Public Interest: Failures in financial management and governance and losses incurred – Harlech Community Council'. However the February minute above is liable to be read as if the fraud itself was in the public interest!

Cllr. Giles Bentham stated that he had received an email from the Internal Auditor about what had been said at last month's meeting of the Council that the Internal Auditors had stated that this type of fraud happens all the time. Because Cllr. Bentham was not willing to disclose the contents of the email the matter could not be discussed further. Cllr. Bentham asked if it would be possible to obtain a copy of the Council's annual statement for the year 2022/23 and it was agreed to send a copy to all.

DECLARATION OF INTEREST

Cllr Edwina Evans declared an interest in the financial application of The Old Library and Memorial Hall and signed a Personal Declaration of Interest document and did not take part in the discussion.

Cllr Rhian Corps declared an interest in the Ysgol Tanycastell financial application and signed a Personal Declaration of Interest document and did not take part in the discussion.
